After that, I return to the house and clean it. On Wednesdays, I have to wash the children's clothes and sometimes they ask me if I can wash the car as well.

At 3:00 o'clock, I have to collect the children from school. I would like to help them with their housework, but their parents won't let me. In the evening we eat a yummy dinner that tastes really good. After dinner I am allowed to go out. I like to go and watch films in the local cinema. I don't have to work on Saturday or Sunday. Then I visit interesting places around London.

Questions:

- What does an au pair boy do?
